The Simsbury Fire District reports that at its Annual Meeting held May 12, 2014 the proposed budget for the 2014/2015 fiscal year was adopted. The budget, representing a spending increase of just under 1%, allowed the District to lower the mill rate from 1.21 mills to to 1.19 mills for the tax bills going out this summer.

President Kevin North presided over the meeting and thanked outgoing Vice President John Solury for his service.

The Nominating Committee presented its proposed slate of officers for the 2014/2015 period. North was nominated for President, Gary Wilcox for Vice President, Peter Pabich for Treasurer, William Ketchabaw for Clerk, and Colleen O'Connor for Tax Collector. The proposed slate was elected unanimously.

At a subsequent regular monthly meeting of the Executive Committee of the Fire District held June 9, 2014, President North proposed the reappointment of Daniel Hayes as Fire Commissioner for another 3 year term and the appointment of Jeff Giddings to fill the remaining term of Gary Wilcox as Wilcox was elected Vice President at the earlier Annual Meeting. These Commissioner appointments were ratified and will be effective July 1, 2014.
