ANNUAL REPORT OF FIRE MARSHAL PATRICK T. TOURVILLE May 10, 2021

During the calendar year, 2020 there were 740 incidents responded to by the Simsbury Volunteer Fire Company. Of these incidents, this office investigated 27. Totals for the previous year, 2019, were 687 incidents with 47 investigations. This represents an increase of 53 incidents and a decrease of 20 investigations. There was one civilian fire-related injury reported to the Fire Marshal's Office.

Totals	<u>1873</u>.....	<u>319</u>.....	<u>937</u>.....	<u>189</u>

During the 2020 calendar year, there were 1126 inspections. This represents a decrease of 1,066 inspections from the 2,192 inspections in 2019.

The 740 incidents include approximately \$982,250 in direct property loss in 2020. This compares to \$482,000.00 in 2019. To put this in perspective, this estimated loss is a loss based on protection of over \$2.8 billion dollars' worth of assessed value property.

Additional notes:

COVID-19 Specific

The Fire Marshal’s Office collaborated with other town agencies forming a group to review, guide and monitor restaurants and businesses who planned to use indoor and outdoor spaces to remain open amidst the COVID-19 pandemic. When different phases rolled out during the pandemic, this office aided the business community with determining occupant loads, office layouts and dining arrangements to ensure compliance with the Connecticut Fire Codes and the Governor’s guidelines.

Public Education

While facing a pandemic, everyone working and learning at home, and routines altered, it was critical to re-think the delivery and need for fire and life safety messaging to protect residents from fires. This office achieved public outreach through social media and provided businesses and schools with fire and life safety lesson plans and support materials. With the annual Simsbury Volunteer Fire Company Open House cancelled, a need still existed to get the important message of “Fire Safety In The Kitchen” out to the public especially as many residents worked from home increasing the risk of fire. To address this, social media again was utilized during Fire Prevention Week. Additional activities included conducting an outdoor display utilizing the Kitchen Fire Prop at local supermarkets and handing out pre-packaged materials to residents. There were 10 classes coordinated by this office that provided direct contact to over 355 people.

.....

Inspection Program

Fire inspection numbers decreased in 2020, when compared to 2019 numbers, due to COVID restrictions. Inspections were able to continue later in the year with the safety of both Fire District personnel and the public being a top priority. The inspection program continued, and by late 2020, this office conducted both physical inspections when conditions allowed and virtual inspections to ensure code compliance within the community.

Construction Projects

Construction projects continue to come in for review and some projects have been completed including the Anthology construction project, Henry James Memorial Middle School additions, the Solar Farm on Hoskins Road, The Big Y Supermarket at 1313 Hopmeadow Street, and Burn Boot Camp at 836 Hopmeadow Street in Andy's Plaza and Northwest Bank renovations at 714 Hopmeadow Street. Site work began on the McLean's Goodrich Building on Sarah Lane and construction continues at the Ridge at Talcott Notch complex.

Goals

Goals for next year are to return to conducting all fire inspections within the inspection program. Work with a newly appointed full time Deputy Fire Marshal ensuring the responsibilities and goals of this office are carried out. Work on restoring our presence in the community with fire and life safety programs as well as re-visiting our partnerships with businesses and Town agencies while transitioning out of pandemic times.

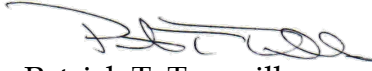

Closing

Finally, I would like to thank the Fire District Executive Committee, Fire District staff, Fire Company members and the Ladies Auxiliary for their continued assistance and support to the Fire Marshal's office. I would like to recognize Deputy Fire Marshal Mike Brown for his continued part-time work with our inspection program and fire investigations over the past year. I also would like to recognize the community on their continued dedication and understanding in ensuring the safety of their families, customers, employees, and buildings during this pandemic. This is what makes Simsbury a special community to live and do business in.

Respectfully submitted,

Fire Marshal's Report
